About US

Beyond Borders Real Estate Ltd. is an indigenous company registered with the Corporate Affairs Commission as an engineering, procurement, and construction (EPC) firm. We have been actively involved in major construction projects in Abuja and other parts of Nigeria.

As a real estate development company, our focus spans across:

- Sales of virgin lands (site and services)
- Development of lands into smart homes and offices
- Acquisition of existing properties for redevelopment
- Rehabilitation of old properties to meet modern functional needs

Beyond Borders Real Estate Ltd. is backed by a team of highly skilled professionals, including civil, mechanical, structural, and electrical engineers, accountants, and legal experts.

We are part of a group of companies, including a microfinance bank, allowing us to provide flexible financing solutions for real estate investment.

Our approach combines rigorous analysis, hands-on management, and innovative design to create developments that leave a lasting positive impact on Nigeria's real estate landscape.

OUR VISION, MISSION & CORE VALUES

Vision

To become a globally recognized company known for superior value creation and exceptional service delivery in real estate development.

Mission

Clients can purchase well-planned plots and build within approved architectural guidelines.

2. LAND PLOT SALES

We offer secure, legally verified land in prime locations across Nigeria. Buyers can pay outright or opt for flexible installment plans.

3. BUILDING CONSTRUCTION

Beyond Borders specializes in constructing residential and commercial properties, from luxury homes to office buildings. We handle:

- ✓ Design conceptualization
- ✓ Architectural and structural planning
- ✓ Full-scale construction execution

4. PROJECT MANAGEMENT

Our project management team ensures seamless execution of real estate projects, handling:

- ✓ Planning & budgeting
- ✓ Quality control
- ✓ Timely project delivery

5. ESTATE/FACILITY MANAGEMENT

Beyond Borders provides ongoing maintenance and management of estates, including:

- ✓ Security services
- ✓ Waste management
- ✓ Facility repairs and upgrades

6. ESTATE DEVELOPMENT

We design and build gated estates with modern amenities, smart technology, and premium infrastructure.

7. TURNKEY PROJECTS

We deliver ready-to-move-in properties, handling everything from land acquisition to final construction, so clients can purchase hassle-free homes and offices.

8. INVESTMENT

We help clients invest in high-yield real estate assets, ensuring strong returns on property acquisitions and developments.

9. LAND BANKING

Clients can purchase land for long-term investment and benefit from appreciating property values over time.

10. HEAVY INFRASTRUCTURE

We develop and construct critical infrastructure, including roads, drainage systems, and power supply networks for estates and commercial hubs.

11. SMART HOMES

Our homes come with integrated smart technology, allowing owners to control security, lighting, and appliances remotely.

12. ENGINEERING

Our in-house team of engineers ensures all projects meet global structural and safety standards.
