OUR COMPANY PROFILE

ABOUT US

Beyond Borders Real Estate Ltd. is an indigenous company registered with the Corporate Affairs Commission as an engineering, procurement, and construction (EPC) firm. We have been actively involved in major construction projects in Abuja and other parts of Nigeria.

As a real estate development company, our focus spans across:

-  Sales of virgin lands (site and services)
-  Development of lands into smart homes and offices
-  Acquisition of existing properties for redevelopment
-  Rehabilitation of old properties to meet modern functional needs

Beyond Borders Real Estate Ltd. is backed by a team of highly skilled professionals, including civil, mechanical, structural, and electrical engineers, accountants, and legal experts.

We are part of a group of companies, including a microfinance bank, allowing us to provide flexible financing solutions for real estate investment.

Our approach combines rigorous analysis, hands-on management, and innovative design to create developments that leave a lasting positive impact on Nigeria's real estate landscape.

OUR SERVICES

01

SITE AND SERVICES

Beyond Borders acquires large plots of land, develops them into serviced plots, and provides essential infrastructure such as gated security access, internal road networks, drainage and water supply, and electricity connections. Clients can purchase well-planned plots and build within approved architectural guidelines.

02

LAND PLOT SALES

We offer secure, legally verified land in prime locations across Nigeria. Buyers can pay outright or opt for flexible installment plans.

CONSTRUCTION & MANAGEMENT

03

BUILDING CONSTRUCTION

Beyond Borders specializes in constructing residential and commercial properties, from luxury homes to office buildings. We handle design conceptualization, architectural and structural planning, and full-scale construction execution.

04

PROJECT MANAGEMENT

Our project management team ensures seamless execution of real estate projects, handling planning and budgeting, quality control, and timely project delivery.

05

ESTATE / FACILITY MANAGEMENT

Beyond Borders provides ongoing maintenance and management of estates, including security services, waste management, and facility repairs and upgrades.

DEVELOPMENT & INVESTMENT

06 ESTATE DEVELOPMENT

We design and build gated estates with modern amenities, smart technology, and premium infrastructure.

07 TURNKEY PROJECTS

We deliver ready-to-move-in properties, handling everything from land acquisition to final construction, so clients can purchase hassle-free homes and offices.

08 INVESTMENT

We help clients invest in high-yield real estate assets, ensuring strong returns on property acquisitions and developments.

09 LAND BANKING

Clients can purchase land for long-term investment and benefit from appreciating property values over time.

10 HEAVY INFRASTRUCTURE

We develop and construct critical infrastructure, including roads, drainage systems, and power supply networks for estates and commercial hubs.

11 SMART HOMES

Our homes come with integrated smart technology, allowing owners to control security, lighting, and appliances remotely.

12 ENGINEERING

Our in-house team of engineers ensures all projects meet global structural and safety standards.

WHITE CITY ESTATE

IDU, ABUJA

White City Estate Idu Abuja is a real estate construction project poised for significant returns, located in the premium area of Idu, directly opposite the Idu Railway Station Abuja, Federal Capital Territory, Nigeria. The project sits on 2.5 hectares of land. The location is a fast-developing community of high-rise buildings, residential structures, and key government facilities, including the Nigerian Air Force Estate directly behind White City Estate, the Idu Railway Station, the Nigerian Army Estate, the Civil Servants Cooperative Society Estate, private resorts, and other fast-developing public and private housing developments.
